

OPERATION FINALLY HOME

HONORING HEROES WITH HOMES

Operation FINALLY HOME is a national nonprofit organization that addresses one of the most pressing needs of our returning troops—a home to call their own. Our mission is to provide custom-built, mortgage-free homes and home modifications to wounded, ill and injured veterans, the widows of the fallen and their families, creating a solid foundation for them to move forward in their lives.

To accomplish this important mission, Operation FINALLY HOME partners with national and local corporate sponsors, builder associations, builders, developers, remodelers, individual contributors, and volunteers in local communities across the United States.

We call them heroes because they have worn the uniform and have made this country a better place for us. Let's make it a better place for them, too.

WELCOMING HEROES HOME

Our troops have demonstrated courage, acted with bravery, and defended our cherished freedoms. They've given us the ability to chase our dreams, laugh with our friends, and have dinner with our families. They have given us—proud Americans—a higher quality of life. It's our turn to give that quality of life back to them.

And that starts with a custom-built home. By removing the financial burden of a mortgage and providing accommodations tailored to a veteran's special needs, our heroes and their families can rebuild their lives with less worry. They can move around their home with ease, focus on developing a fulfilling career, and spend valuable time with their children. Our nation's troops have served us. Now we have the honor of serving them.

Turning a Hero's Hardship into a Home

Everyone can help Operation FINALLY HOME fulfill its mission. It takes people and talent from a collection of backgrounds to take a home from concept to completion.

BUILDERS & REMODELERS

You are the experts. You have the skills. We need you to help build or remodel homes for our wounded veterans.

BUILDING SUPPLIERS

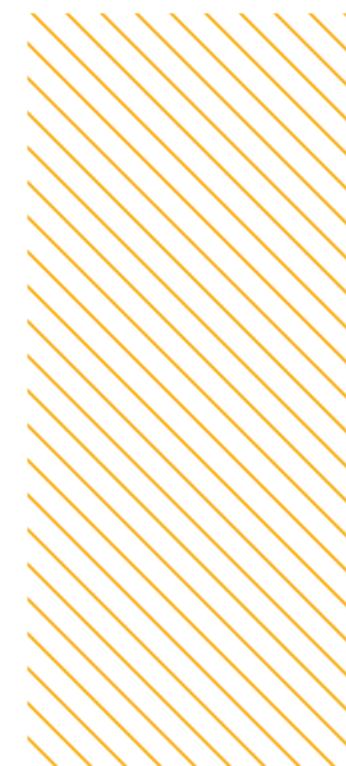

Quality homes can't be built without the best resources. We need you to supply the materials for the homes.

LAND DEVELOPERS

Every hero deserves a space to call his own. We need lots on which to build the homes.

EVERY AMERICAN

They supported us. We need your help to support them. You can organize an event in your town to raise awareness and funds to build a home for our wounded, ill and injured service members, widows of the fallen, and their families. For a list of homes currently under construction, please check our event calendar at *OperationFINALLYHOME.org*.

SUPPORT AMERICA'S VETERANS

Financial contributions have helped Operation FINALLY HOME build more homes each year since 2005. Imagine the relief and happiness your donation could provide to wounded, ill and injured veterans, widows of the fallen, and their families.

Rebuilding self-esteem and transitioning back to civilian life is one of the hardest battles our heroes will have to face. It's a war they should not have to fight on their own. Show your support today:
